Craig Kellogg

Mies van der Rohe's Barcelona chairs were purchased from the original owner, American architect Charles Gwathmey. The Italian walnut chest is eighteenth century, as is the Flemish mirror. The lamp is by Willy Rizzo, circa 1970. In the background are John Dickinson's 1970s three-legged side table, a chair by Charles and Ray Eames, a console by Karl Springer, and a painting by Claudia Aronow.
